

BROOKWOOD SWIM & DIVE VOLUNTEER

Spaghetti Dinners- For each dinner families are assigned an item to bring based on last names. A list is sent out prior to the dinners, usually on the weekly newsletter that Coach Puckett sends to the swimmers. In addition information will be on the website. Volunteers are needed at each dinner to set up and clean up. Dates for the dinners are 11/11, 12/9, 1/20 and 1/23 (brunch). All are held at Flowers Crossing clubhouse

Picnic- On October 17th we will have the first social event. It is a picnic held at Alexander Park. We have lunch and kids play Frisbee, and other games. We need parents to help with set up, clean up, reserving the table, picking up items. Food will be assigned by last name for drinks, chips, desserts, side dishes, etc. To reserve space must be at the park at 7:00 AM

Team Building- October 31st - Mandatory attendance for all of the team- This is a fun night, held at the school where the team all comes together through various activities to help get to know each other. Very good for the new members to the team. Parents needed to set up and serve food, clean up, possibly serve as judges for certain team competitions. Items to bring will be assigned by last name.

Other Misc events- Q-Zar- December 23rd, no parent involvement other than possibly getting your athlete there. Game night, December 29th at Flowers Crossing clubhouse. Set up and clean up and bring snacks is usually involved.

All of the above events fall under the Social Committee headed by Pam Dietz

Locker Decorations- this is done for the State and County meets and requires being at the school the evening before to help decorate the lockers of the team members participating in those meets. Takes about 1 hour. Anita Wilhelm is the committee head.

Athlete of the Meet- this requires getting the names from Coach Puckett and going to the house of the athlete and putting up the sign and then each week going and getting the sign and taking it to the next person. Patti Hotop is the person in charge of this Activity.

End of Year Banquet- March 10, 2010- end of the year dinner and recognition of achievements of team members. Need people to help decorate, set up and clean up. This event is catered so no food is required. Chris Bolton is in charge of this committee.

County and State activities – Jan & Feb- are handled by families of those qualifying for the meet. This will involve going to locations of the meets to help reserve seats for the parents and space for the team area. This will depend on where the events are held this year, and we need a lot of parents to reserve seats. We try to keep the team together and if we don't do this, we will be spread out. Each year it gets harder and harder to keep spots if we don't have someone sitting in the stands. There will be help needed to set up and clean up the team area, bring food etc. Plenty of chances to be involved in these activities. No one is really in charge we really put out a team effort on this one. You don't have to have a participant in the meet to help or go out and cheer on the team. The more the merrier!
