

WELCOME BACK

We're glad to have you back for the 09-10 season. There are a few changes this year, so please follow the instructions and we will get done in time. We will be using a vendor this year who will take care of all the ordering for team required suits, towels, and parkas (if you are purchasing a parka) You are not required to buy another towel if you already have a Brookwood towel from a previous year. The suit is new and you must purchase a team suit. If you will need a physical, this year it will be handled the same day as the other sports here at the school or your own physician. **Unless you have one from another sport this 09-10 year, you will need one.** Please get a form from the Physical table.

Be sure to read carefully the Parent Volunteer form. How we assign volunteers for Timing and Runners is not really changing, just being clarified so everyone understands their obligation to the team to work at least 3 meets as either a timer or a runner. There is no need to sign up for this duty, you will be assigned to work meets and be notified at a later date. There will be one opportunity before the assignments are made to select your meets. You will only be notified by email, so be sure we have your email address. If we don't hear from you, it will be assumed you have no date conflicts. If your swimmer is also a member of Swim Atlanta or Gwinnett Aquatics and you know you will miss a meet, this is the time to be sure you aren't scheduled to time that meet. **Once the assignments have been made, if you cannot work, you will be responsible for finding your own replacement.** If you sign up for scoring, you will not be included as a timer. The Parent Volunteer form must be completed, signed and turned in with your registration forms before you will be able to complete the registration. All other volunteer positions, including concessions, spirit or social committee will be in addition to the timing requirements. Concession duty will not be assigned until the Timer list has been completed. This way you won't be assigned timing and concessions on the same night. We only need 2 or 3 people at the concession booth per meet, so this should not cause a big conflict. Please see all the volunteer sign up sheets at the volunteer table. If you do not indicate on your Volunteer form that you signed up for one of the other opportunities to help, we may call you to see if you can assist with another committee later in the season.

Total Team Wares will be handling the ordering of all the **suits, towels, caps and parkas which are required.** You do not need to order caps from them **unless** you want a cap with your name on it. You must purchase 2 caps if you want the name on it. Only the last name is on the cap. Caps without names are provided by the team. Parkas can also be rented from the team if you don't want to purchase one, go to the Parka table. Please start at the Total Team Wares table and work your way around to the other tables for the yard signs, physical forms etc.

Spirit wear will be sold at the Kick Off night held in November. This year we will again be offering Warm Up suits, along with sweat pants, shirts, and flannel pants. The warm-up suits are not mandatory. **PLEASE BE SURE TO GET YOUR ORDER IN AT THE KICK OFF NIGHT EVENT.** We will not be placing any additional orders this year. You must do it then. Please be sure to try them on, samples will be available.

If you have any questions, please see anyone at one of the tables and they should be able to direct you, or answer your questions.

GO BRONCOS!!!!!!!!!!!!!!

Brookwood Swim and Dive Booster Club
